

STUDENT DONATION DRIVE PACKET

For Students Seeking to Earn Service-Learning Hours

Why collect donations for the Jefferson SPCA?

The Jefferson SPCA works every day to improve the lives of animals in our community. We rescue, care for, and find homes for pets in need—many of whom come from open-intake shelters in Jefferson Parish. Some we get from our team of volunteers working in the community trapping cats to prevent suffering of overpopulation. Every donation helps us provide food, medical care, enrichment, and comfort to the animals we serve.

This isn't just about checking off service hours—it's about doing something that matters. The animals don't care who bought the supplies—they care that someone showed up. Want to make an even bigger impact? Volunteer. Start a donation drive. Visit us. We promise it'll mean more than you think.
